System - Company Info

Enter your company details on this screen.

The screenshot shows a web browser window titled "PDC_Home" displaying the "Project Database Co" preferences. The main content area is titled "Preferences - System" and has three tabs: "Company Info", "Default Set", and "Logos". The "Company Info" tab is active, showing a form with the following fields:

Address Details	
Company Name	Project Database Company
Address 1	3G, 22 Ross St
Address 2	
City	Wollstonecraft
State	NSW

At the bottom of the form is a button labeled "FileMaker Preferences".

Do not change the Company Name field once a Registration Code has been issued. If you do need to change the Company Name, you need to contact Support before doing so, so a new Registration Code can be issued.

- You can access the FileMaker Preferences from here. This may be used by Support to verify FileMaker Pro application settings.
